## **Brief Report On Pacific Coast Reining Spectacular**

Our biggest show for the year had a wonderful, relaxing atmosphere, according to spectators and competitors alike. Wet weather conditions challenged us all.

It was huge show. We stabled approximately:

104 horses, and ended up with  
278 entries. (WOW!!)

This made our Pacific Coast Reining Spectacular the largest show in Australia this year.

Congratulations to all competitors, particularly Warren Backhouse, who, at our show, achieved lifetime earnings of \$200,000 in prize money. This makes him Australia's highest money earner in Australian Reining. Well done, Warren!

(See enclosed article from the local newspaper, the Gatton Star).

A big thank you to the Committee, who worked their butts off to give you all such a great show. A huge amount of work is required to prepare, hold and run a show. A lot of this work goes on behind the scenes, when all of you are sound asleep! Work goes on late into the night, to ensure that things run smoothly and, where possible, peoples' requests are satisfied, eg. Pre-works and stabling requirements..

Competition was fierce with very high scores, resulting for some, with a run off for first place..... no pressure! A couple of riders managed to take home two buckles each – great stuff and one of our buckles even went south of the border..... By day 3 mud had returned to dust and the sun had come out to shine.
